The Six Pillars of Character

Your character affects how you relate with others at school, at home, everywhere. It influences your choices and helps you determine what's right and what's not. Good character is not a face you put on in public. Character is who you are when you're alone and what you do when no one is looking. Just as you have to practice to be a good athlete or musician, your character has to be developed and practiced.

Trustworthiness: Always be honest. Do what you say you will do. Keep your promises.

Respect: Respect yourself. Treat others with respect. Be tolerant of their differences.

Responsibility: Always do what you're supposed to do, even when it's not easy. Don't give up!

Fairness: Treat everyone equally. Be willing to obey rules and do what's right, regardless of the situation or how much peer pressure you receive.

Caring: Show kindness to others. Go out of your way to help. Be forgiving. Remember to say thanks.

Citizenship: Look for ways to improve your school, home, community and world. Respect authority. Obey the rules, even if you don't agree with them.

At SVMS *Be CLASSY*

2. Do not retaliate or get even.
3. Respond evenly without losing your temper and in a firm voice or say nothing and get away.
4. Stand by each other. If you watch, laugh, or ignore you are part of the problem. It is your school!

The second offense will result in a parent conference with administration and the student. Further violations may lead to detention and or suspension.

Extracurricular Activities

1. Extracurricular activities refers to athletic, academic, music, student government, yearbook, school plays and all other afterschool activities:
2. Students must maintain a passing grade in all classes during the season. Eligibility will be determined on a weekly basis. Students will be warned and given one week to work closely with the teacher in correcting academic problems. Students will remain suspended until the following week's eligibilities are run.
3. If a student is caught cheating, he/she is ineligible for that weeks event. If ineligible for three weeks during the season or caught cheating a second time, that student will be dismissed from the team or group. CLASSY Citizenship must also be considered and reported. Questionable eligibility for team or group members must be handed to appropriate coaches or advisors every Monday by 3:30.
4. The coach will inform students of ineligibility and the reason why.
5. Team or group members are required to check on homework before leaving for an activity.
6. Students must be responsible citizens while engaged in any activity that is school sponsored. Failure to do so could result in dismissal.
7. In addition to the above, the individual coaches/advisors may have other rules that must be followed. These may include training restrictions, class participation, higher academic requirements, physical examinations or other requirements important to the activity.
8. Students may ride home with their legal guardian after an event by being signed out with the coaches by the legal guardian. Students may not ride home with

anyone other than their legal guardian unless a formal, written request from the parent or legal guardian is filed in the office, prior to departure. The Athletic Director will confirm requests.

Lunch Guidelines

A hot lunch is available each day for a nominal charge. Prices may change from year to year and are announced in the local newspaper prior to the beginning of the year. A reduced price and a free lunch program are also available to those with special needs. *USDA prohibits discrimination in administration of its programs. To file a complaint, write to the Secretary of Agriculture, Washington D.C. 20250.*

- b. Lunch money needs to be paid at the office before school or between classes.
- c. Please be aware of the Districts unpaid student meal debt policy. This can be viewed on the SVMS website svms.lcsd2.org/

Late Work Policy

Late work is any assignment that is not turned into the teacher by the assigned due date. All late work turned in can be graded for full credit. Student's academic grades will not be affected by late work as long as the student has turned in their assignments. A student will be assigned to RIF (Remediation, Intervention, Flex) time for missing assignments as determined by the student's STARS teacher. Teachers will work with students before school, and during RIF time. In addition students may be asked to stay for Wednesday Power Hour which is additional time with teachers to complete assignments. (Busing is provided) If students continue to have missing work or failing grades students may be taken out of electives and placed in a tutorial setting at the discretion of the team.

Tardy Policy

Attending classes on time is an important part of being a CLASSY student at SVMS. Tardies are not counted the first week of school. Students are allowed two tardies per quarter with no consequence. If a student receives a third tardy in a quarter, he or she will receive a pass room referral for that tardy and each additional tardy in that quarter.

Attendance

LCSD2 Board Policy - JED

1. The Board of Education embraces the philosophy that regular attendance of pupils is basic for school success. The Board supports the policy that while it is the parents' duty and responsibility to determine the child's attendance at school, the school shares this responsibility with the parents. In some cases, it may be the duty of the school not to condone certain parentally approved absences. The Board accepts the following guidelines for encouraging regular attendance.
2. Pursuant to W.S. 21-4-101 (a)(i), and in accordance with this policy the following definitions are given:
 - A. Excused absences shall be those absences for these reasons:
 1. Personal illness
 2. Funerals, weddings, deaths, or extraordinary events with the family
 3. Medical or dental appointments not possible during other than school time
 4. Family emergencies
 5. School related activities with the sanction and approval of the school
 - B. Unexcused absences are all other absences not defined as excused.
 - C. Each school will establish procedures in compliance with W.S. 21-4-104 which shall include procedures for communication between school and parents when a student is absent.
3. Any pupil who exceeds the allowable number of unexcused absences in a term may lose credit in the class or be subject to consequences according to each school's procedure.
4. Building principals are designated by the board as attendance officers in accordance with W.S. 21-4-103.
5. In cases where students miss more than the allowable number of absences, they will be referred to the school-based intervention team.
6. Each school will implement an appeals process allowing parents to request an exception to this policy.

In an effort to enforce School Board Policy - JED Star Valley Middle School has adopted the following Attendance Policy

If a student is absent eleven (11) times, excused or unexcused in one class during a semester, he/she will lose credit* for that class and become ineligible for extra curricular activities. The student must make up that time to regain credit or become eligible for extra curricular activities. **(School sponsored activities do not count towards total absences.)** The student can make up that time by attending POWER HOUR. This is an hour for hour make up. A student and their parent can appeal the credit and eligibility through the SVMS attendance committee (which consists of the student's team and administrator). When determining if credit and eligibility should be awarded, the attendance committee will consider factors such as: the final grade earned in the course, the nature of the absences (excused/unexcused, etc.), past attendance record, disciplinary record, the student making up time outside of the school day, etc. The attendance committee may choose to grant credit, deny credit, or set specific conditions that the student must fulfill before receiving credit. If the student is denied credit then eligibility is denied as well. Eligibility in extra curricular activities tied to attendance will always reset at the end of each semester.

When returning after an absence, students will need a note or phone call from a parent/guardian to excuse the absence.

The attendance office must receive the excuse within five (5) school days following the absence or it will become an unexcused absence and/or truancy.

*Losing credit at the middle school level requires that the student retake a course. 7th graders who lose credit would be required to take those courses in the place of electives in the 8th grade. 8th graders who lose credit in the first semester would be placed in a study hall or study skills class during their electives 2nd semester. 8th graders who lose credit in the 2nd semester would be recommended for an attendance contract as 9th graders.

The student's team will determine which courses will be made up due to the fact that only two elective hours are available. Priority will be given to Math, English and Science courses.

Checkout Policy

SVMS is a closed campus. Students may not leave the school grounds without checking out at the office with a parent or guardian with proper photo ID. High school students are not to be on campus unless they check in at the office and are on official business.

Visitors

Parents are encouraged to visit the school anytime. If a parent would like to observe a class, prior arrangements need to be made with administration. All visitors must check in at the office and get a visitors pass upon arrival. Students are not allowed to bring guests to school with them anytime during school hours.

Lockers

Lockers are issued to students at the beginning of the year. Lockers should be kept locked at all times. Students should not share their combinations with each other. Doing so puts the security of your property at risk. Students are not to jam lockers so they will not lock. Each student is responsible for keeping his or her assigned locker clean both inside and outside. Damage caused by misuse of tape, etc., will be charged to the student responsible. Lockers are subject to periodic inspection at the discretion of the school administration.

Telephone

Students will not use school phones for personal calls except in special situations

and with staff permission. Phone calls for students will be handled between classes, during lunchtime, and before or after school. Students should remind parents that they should not call a student at school except in emergencies. Messages will be delivered to a student only during class breaks and lunch times unless it is an emergency.

Administering Medication to Students

Medication will not be given from the office. Any medications that required to be taken on a regular basis during school hours will require a written signed request by parents and be on file in the office. Tylenol, Advil, etc., will not be given from the office.

Sick Room Policy

Students may lie down for one period with teacher and office permission. After that period they are expected to return to class or call and go home. The sick room is not an extended-care facility. If parents are unable to come and get a sick student, arrangements must be made for a relative or family friend to take the student home.

RIF Remediation, Intervention, Flex Time

Remediation

Remediation is time provided during the day for students who are lacking the skills needed to progress. They will attend a thirty-minute class to receive support from their teachers.

Intervention

Intervention is the time that will be used for those who have been reported by a teacher for additional support to complete classroom work. Intervention also gives students time with their own teachers and support staff to make up work for absences, to receive help with projects, to redo tests and quizzes as well as complete missing assignments.

Flex Time

Students who are passing all of their classes, turning in their work, doing what is expected of them, get to choose a FLEX activity to attend during RIF time. Activities can include gym and outside field time, board games, electronic device time, craft time, library time, etc.

Student Success Intervention Steps

It is the goal at Star Valley Middle School that every student leaves our school prepared for success at the next level. In order to be successful in high school students have to have an understanding of key concepts in their core classes. The following is a description of the step-by-step process that SVMS will take to ensure students are prepared for success at the next level.

1. Teachers will make sure that students are aware of their grades and any missing assignments.
2. Teachers will meet as teams to discuss students who may be struggling academically or socially.
3. Teachers may have students come in during RIF time to work on assignments or to reteach concepts.
4. Teachers may invite students to stay after school on Wednesday's for Power Hour which runs from 3:40 pm to 4:50 pm. Again this time may be used to work on assignments or reteach concepts.

Bus Behavior and Guidelines

The principle purpose of busing services is providing safe, efficient, and consistent transportation for students between school and home. School bus rules are intended to provide bus drivers and administrators uniform ways to assure student safety and the protection of property.

1. Each student is to be given a written copy of: LINCOLN COUNTY SCHOOL DISTRICT NO. 2 School Bus Rules and Regulations. These rules are to be discussed with the students by the bus driver at the beginning of the school year.
2. The driver of the bus is in complete charge of the students. The driver's word shall be respected the same as a teacher or principal.
3. Violation of bus rules may be grounds for immediate discipline by the bus driver and/or principal.
4. When an offense occurs the bus driver will follow these guidelines:
 - ♦ The driver will talk with the student with as much privacy as possible, explaining to the student the problem as the driver sees it.
 - ♦ The student will have an opportunity to tell his side of the problem and the driver will listen carefully as the student tells his side.
 - ♦ The student may be given direction for improvement. A specific seat may be assigned for a period of time.
 - ♦ The driver will keep a detailed record of student bus rule offenses, action taken by the driver and behavior changes required by the student.
 - ♦ A copy of this written record will be given to the principal.
 - ♦ The driver may notify parents if the behavior warrants it.
