

INSTRUCTIONAL ELECTRONIC DEVICES FOR STUDENTS

The purpose of the Lincoln County School District #2 One-to-One Digital Learning Environment is to provide continuous use and integration of technology across all environments to:

- Increase student learning of 21st Century Skills
- Demonstrate competency regarding the Wyoming Content and Performance Standards
- Improve student engagement

Students in good standing entering grades 9-12 will be provided or have access to an electronic device. LCSD#2 will retain legal title to the device at all times and the user's right of possession and use will be limited to and conditioned upon full and complete compliance with district policies and procedures.

LCSD#2 may take possession of provided electronic devices at any time to ensure compliance with district policy and procedure. There is no expectation or right to privacy relating to materials downloaded on or accessed from this device.

Students no longer enrolled in Lincoln County School District #2 must return the device along with all accessories or comply with the terms of their LCSD#2 Use Agreement. Use Agreement funds collected, as a part of this initiative, will not be refunded.

In the event a device is lost or stolen the student/guardian must file a police report as soon as possible and notify the school administration/personnel. LCSD#2 will take necessary measures to recover the device including deploying location software and collaborating with law enforcement.

If a device is lost, stolen, or intentionally damaged as a result of irresponsible behavior, the parent/guardian will be responsible for the full replacement cost.

The Information Technology team, building level administration and all staff work together in monitoring and managing the appropriate use of electronic devices.
