By May 2021, SVHS will increase the effectiveness of each Professional Learning Community, to ensure high levels of learning for **all** students, by demonstrating proficiency in the areas of Focus on Learning and Focus on Results as measured by the LCSD#2 Professional Learning Community (PLC) Rubric.

Possible Strategies:

- *Organize Professional Learning Communities to increase effectiveness.*
- *Regular PLC Meetings Focused on student learning and performance data.*
- *Impact student achievement through data analysis.*

Students at Star Valley High School, during the 2020-2021 school year, will be aware of their current level of performance and where possible, will improve their level of performance on ACT, WY-TOPP or local Assessments.

Possible Strategies:

- *Ensure all students know and can understand their current level of performance on ACT, WYTOPP, and local assessments.*
- *Increase the exposure and familiarity with ACT, WY-TOPP, and local assessments through practice items/tests.*
- *Improve teacher expertise of ACT, WY-TOPP, and local assessment items.*
