GREETINGS FROM THE PRINCIPAL

It's a pleasure to welcome you to Afton Elementary! If you are not aware already, I think you will find out that Afton is a remarkable school with wonderful children, supportive and involved parents, and an exceptional staff. Our values mirror those of our wonderful community.

Each of us at Afton are convinced that all children can learn well if they are given effective instruction, relevant guidance and multiple opportunities to practice what they are learning. We want students to leave Afton with strong fundamental skills in school, ready to move on to 4th grade and life beyond. Most importantly we want to provide that opportunity to grow academically in a warm, loving environment so that students feel welcome and safe here and that they learn to love learning.

We want to partner with parents and community members to make Afton Elementary one of the finest schools and service organizations in the world. Together we can meet these goals and accomplish wonderful things with our students.

Sincerely,
Danny Robinson, Principal

School Lunches

Student Breakfast: \$ 1.75	Adult Breakfast: \$2.55
Student Lunch: \$2.75	Adult Lunch: \$3.95
Extra Milk: \$.50	
Reduced Breakfast: \$.30	Reduced Lunch: \$.40

The lunch cashier is Susan Loveland. Lunches need to be paid on a **weekly** or **monthly** basis. Lunch money will be collected in the hall before school starts or in the office during recesses. **You can also pay for lunches online at your Parent Infinite Campus Portal.** Extra milk can be purchased during lunch. Students who bring sack lunches may purchase milk. We discourage students eating lunch away from school other than at home. Free and Reduced Price School Meal Application can be linked to from lcsd2.org or by logging into your Infinite Campus account.

Communications

Communication between home and school is so important. The school will be providing monthly bulletins sent home the first of each month. Also, we encourage you to like Afton Elementary on Facebook and view current events and activities in the school. You can also find more information on our web site at www.afton.lcsd2.org. Finally, teachers will be communicating regularly on specific classroom issues using a variety of means: texting, phone and email.

It is very important for us to have correct phone numbers and email addresses. Please let us know if either of these change throughout the year.

We encourage parents to contact the school to clarify any questions. Calls will not be forwarded to the classrooms while class is in session as this disrupts the learning for all children. We will take messages and give them to the students. You may call during recess or during the teacher's planning times and the phone will be sent to the classroom. Teachers planning times are scheduled while their students are attending specials. In urgent cases, we will get them out of the class.

Students must have a note when going somewhere different than their usual drop-off spot. Please be vigilant in sending notes. Students without a note, will be sent on their regular bus. If you are picking your child up from school, please instruct your child (include in note to teacher) that you will meet them in the office or outside the school. Occasionally, parents may need to contact the school with a verbal change in busing. You must **call by 2:00 p.m.** If you need help determining what bus your child needs to ride you can call the bus garage at 885-7146 or 885-7148.

Adults must not pick up other parent's children without the permission of that child's parent/guardian. A written note giving permission is required. This includes siblings.

Media Center Information

Your child has been visiting the school library and will soon be bringing home a book he or she has checked out. Your child has started to learn how to select and use library materials. We have discussed responsible use of library materials and correct treatment of books.

In order to make this a successful and enjoyable experience for both of you, you can help your child in the following ways:

- Encourage your child to share the books with you. Read together.
- Find out your child's scheduled days for library visits and prepare for them. Look forward to this special weekly occasion.
- Remind your child to return books on time. Mark the library day on a calendar.
- Have a special place to keep library books. Keep them away from possible damage by younger children or animals.
- If a book is accidentally damaged, do not attempt to repair it at home.

Please be aware that district policy states the current replacement cost for books that are lost or damaged beyond reasonable repair will be charged and payment is expected during the same calendar year. If for any reason you should not want your child to check out books for home use, please inform us in writing.

Safety Procedures - Keeping Our Children Safe

Updated August 2009

EMERGENCIES

The safety of our children at Afton Elementary is always a concern. In the world we currently live, there is increased potential for emergencies to arise. Please be advised of the following procedures we will follow.

COMMUNICATION:

When an emergency occurs, please stay tuned to the local radio station (KRSV 98.7) for current information about actions the school may be taking. We will contact as many families as possible through School Messenger with the phone numbers you have provided. Parents are welcome to come to school during an emergency (provided the situation is not dangerous to you or your child) and check your child out through the office. Please teach your child procedures at home should any emergency occur. At the occurrence of an emergency when your child is at school—or somewhere else away from home—you may not be able to communicate your plan to them.

SCHOOL CLOSURE:

Infrequently we are forced to close a school or to close all of the schools in the district. Sometimes a closure will occur before the school children are to report to school for the day. On other occasions the closure will occur after school has started. Closures may be for civil defense alert, natural disaster, weather, problems related to the school physical facility, or a number of other things. Should there be a need for a school (or all schools) to close, we will follow standard procedures so parents will be notified as soon as possible. **Obviously, a personal contact cannot be guaranteed with each child's parents.**

1. In the event of an emergency the public will be notified by radio, text blast, and phone message. If the emergency involves civil defense problems, civil defense procedures will be used.

2. Students who ordinarily walk to school will be dismissed and will be expected to proceed directly home. Parents may give their children specific instructions to go to another location, as family situations may dictate.
3. Bus students will be transported to their regular route drop-off point. As usual, at the close of a regular school day it will be the responsibility of the parents to pick up their children at these bus stops.
4. If parents are not available, they should provide their children with specific instructions as to how to proceed from the bus stop.
5. Parents should:
 - a. Review with their children the procedures they are to follow should school close early.
 - b. Provide other additional specific instructions such as:
 1. Locations of house key.
 2. What to do when arriving home and no one else is there.
 3. What actions to at home should there be a real or simulated emergency conducted by civil defense people.

FIRE

If there is a fire, we will evacuate the building immediately. We evacuate to a central gathering place behind the building and we account for each individual.

EARTHQUAKES

If there is an earthquake, students are instructed as follows:

- **DROP** to the ground; take **COVER** by getting under a sturdy table or other piece of furniture; and **HOLD ON** until the shaking stops. If there isn't a table or desk near you, cover your face and head with your arms and crouch in an inside corner of the building.
- Stay away from glass, windows, outside doors and walls, and anything that could fall, such as lighting fixtures or furniture.
- Use a doorway for shelter only if it is in close proximity to you and if you know it is a strongly supported, load-bearing doorway.
- Stay inside until shaking stops and it is safe to go outside.

After the earth stops shaking, we evacuate the building to a central gathering place behind the school and we account for each individual. A real earthquake could make all surrounding buildings unsafe; therefore, we would remain outdoors until decisions could be made on getting children home.

SEVERE WEATHER

If severe weather conditions occur when children are at school, the administration and transportation department will determine whether or not to transport students home or keep them at school. The best possible arrangements will be made for student care until parents pick up their child or transportation can proceed.

Tornado or extremely high winds- Students will get away from windows, possibly be moved to the hallways.

PICKING UP YOUR CHILDREN AT SCHOOL DURING AN EMERGENCY

When parents arrive on the scene to pickup their children, we will need their help in following these procedures:

1. No child will be released to anyone except his or her parent, legal guardian, or designated responsible adult as indicated on his or her registration form.
2. Whoever picks the child up must sign a release form so we know who picked the child up and where the child went.
3. There will be a check-out point for the release of each child. They will not be released unless taken through the check-out point.

Afton Elementary School Attendance Policy

1. When a child is absent, we strongly encourage the parents/guardians to contact the school office or their child's teacher to let us know.
2. If a child is absent for 2 or more consecutive days and the parents have not contacted the school, we will initiate communication.

Communication may include but is not limited to:

Teacher calling home
Office personnel calling home
Teacher or office personnel emailing parents regarding attendance
Letter from the office indicating days of absence
Home visit made

3. If excessive absence occurs (more than 20 days per year or 7 days per trimester) the school based intervention team may suggest any one or combination of the following actions take place depending on the reason for absence:

Referral to the school district resource officer
Referral to Department of Family Services
Retention in the same grade for an additional year
Parents encourage/possibly required to take parenting classes
Summer school/After school remediation
Referral to the legal system

4. All factors relating to the reasons for absence will be considered by the building intervention team. Parents communicating the reason for absence when it occurs will be important information for the team.

Parents may appeal the decision of the school based intervention team to the school district superintendent.

Important

All Board Policies can be found on the Lincoln County School District website. You are invited to read the policies and procedures.

1. Go to www.lcsd2.org
2. Select District
3. Select Board Docs
4. Select Policies Tab
5. Select J-Students from the list

All policies are listed. If you would like to look at procedures you will need to change policies to procedures at the top of the list under Book.

There are many Board Policies, but these are very important for you to know.
