

Lincoln County School District #2

Communication Plan

[LCSD#2](#)

360 Jefferson St.

Afton, WY 83110

Vision

We envision success at the next level through cultivating relationships, learning at high levels, working collaboratively; and using data to determine effectiveness.

Mission

Success at the next level

Goals

1. Every student will demonstrate one year's growth. (One Year's growth is defined as measuring a student's academic performance between two points in time.)
2. As a system, create and update our processes and practices of leadership and talent development to ensure continuous high performance in all areas.
3. Establish and maintain processes that secure the sustainability of LCSD2.
