Kaitlin Le Beau
Mrs. Jacobi
Senior

Kaitlin has been in SVHS musicals since Fiddler on the Roof her freshman year. As a Senior, she was awarded her 5th Thespian Festival Allstate award rounding out to 4 different categories. Kaitlin was recently accepted into Millikin University's B.F.A. Design and Production program. And oh, Kaitlin would also like you to know she recently read a study by the Wall Street Journal stating a person is less likely to trust someone if their last name ends in a vowel, so do with that what you will.

Miriam Kucharek
Nun, Bowery beauty, and newsie
Senior

Hi my name is Miriam. I'm 18 and my hobbies include singing, eating lots of snacks, and listening to true crime podcasts. And my idea of a perfect date is April 25th, it's not too hot, not too cold, all you need is a light jacket. The most important thing our society needs is harsher punishment for parole violators Stan. And world peace.

Jaylan Allred
Nun, Bowery Beauty, Newsie.
Senior

This is her fourth year involved in the SVHS musical. It has been a fun four years and she will never forget all the people she has met and grown to love. Most of all she thanks all the directors for their time and sacrifice.

Abbey Delgado

Senior
"Just because you put syrup on something doesn't make it pancakes" :)

Allison Bates
Stage Manager

Allison has loved theatre from a young age, having grown up watching her grandfather perform in his community theatre. Her big moment came when she was the biggest billy goat gruff in second grade. When she got to high school, she decided on waiting to pursue her acting career, instead focusing on the technical side of things, where she has been ever since.

Elizabeth Weiler
Wiesel
Senior

Elizabeth Weiler is a world traveler, avid photographer, and aspiring writer. She also dearly loves to act and has been for the past seven years. She hopes to leave a good mark on Star Valley within her first and last year living in Wyoming. Elizabeth has moved seventeen times in her seventeen years of living. She has also been to seventeen different countries. Ironically, seventeen is not her favorite number, it is thirteen.

Joshua Baird
Henry

Joshua Baird is 16 years old. He has lived in Mexico and in the Philippines. This is his first time in an SVHS musical and he loves it. He loves to sing, dance, act, play the piano, hang out with friends and go on dates.

Sadie Casperson

Senior

Excuse me, ladies and gentlemen! Can I have your attention for a moment, please?
You had a long career, my man, perhaps the longest of all time. You touched us all in our hearts, And you put away a bunch of bad guys at the same time, With your bare hands in your off hours. And now, Sadie, you can ride off into the sunset, spend some quality time with your mom here.
To Sadie! Finishing her fourth year of HS.

Renn Helm

This is the first year in high school that I've been in a musical or anything singing related and so far it's been a great time!

Ambitious and excited to be playing the part of Racetrack in the musics this year, I love singing and I love my friends, but I'm excited to be out of here this year and never come back. :)

Noah Draney
Spot Conlon
Senior

Noah was in last years production of The Little Mermaid as Grimsby. This year he is now in Star Valley Singcopation and thrilled to be a part of Newsies this year as Spot Conlon.

Kate Johnson
Finch
Junior

I am super excited to be a part of Newsies this year! I honestly never thought I would get the chance to perform in this awesome musical! I am 17 years old. I have played the piano for 10 years. I was an ancestor in Addams Family my freshman year and Atina (Ariel's sister) my sophomore year. I hope you enjoy the show!

Edward Dickey
Albert
Senior

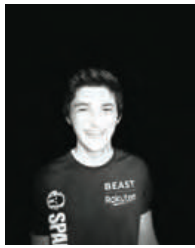

I am playing the Role of Albert this year, and am incredibly excited. I love being with my friends and being able to express myself through the music arts. This character is more of a muscle man than I am, but regardless I will be my best Newsie and am grateful to be apart of something that kids can remember forever.

!

Makayla Wilson
Mush
Senior

My name is Makayla Wilson. I am the middle child and the only girl besides my mom. I have performed in the school musicals since my freshman year. This is the first time I have had any lines in a school musical. I play the part of Mush. You never hear my name during the play, but it's Mush. My plans for after high school are to work during the summer, then leave on a mission.

Weston Stuki
Crutchie
Junior

"In my musical experiences I have played a dead ancestor risen from the dead, an evil sea creature with an identical twin, and now I play as the crippled little boy. That's probably one of the biggest reasons I love acting so much. Because you can be whatever you want!"

Robert Walker
Davey
Senior

I am 18 years old and ready to graduate. I love being part of big things like this musical and performing. Once I graduate, I plan to go on a mission for the Church of Jesus Christ of Latter Day Saints. After I get back, I plan on going into acting and voice overs. I've always loved cartoons and animation, so to be a part of that in my future career is amazing to me. I've also always loved acting. I plan to increase my skill throughout my life. That's a little about me. Thank you for coming to our show!

Norrah Nielsen
Les
Sophomore

I am so thrilled to be playing the part of Les in this year's production of "Newsies"! I like any performer. I have spent most of my years in the chorus! I have performed in the ensemble of two different productions of "Mary Poppins", "Fiddler on the Roof", and "The Addams Family". Last year before covid-19 hit, I played Ariel's mermaid sister "Adella". My passions include dancing, which I've been doing for 12 years, singing, going to Disneyland, and eating chicken nuggets. I love performing with all my heart. I am happiest when I am on stage. I hope that I can do it for the rest of my life and follow in my mommy's footsteps.

Scott Shumway
Mr. Pulitzer
Senior

I like to express myself. Creatively stupid as I call it. I love to craft things and write stories. My life revolves around studying different genres of writing. Theater is just another genre for me to study and tackle. I do like to perform, which makes studying theatre so much more entertaining. That's me in a nut shell, so I hope my performance fills in the rest!

Ki Simkins
Medda
Sophomore

Ever since I watched SpongeBob's rendition of "Goofy Goober Rock", I knew I wanted to be a performer. Theater is one of my most favorite passions in the entire world! I've had the chance to be apart of "Mary Poppins", "Fiddler on the roof", "The Addams Family", and an almost production of "The Little mermaid". This year, I was able to participate in state drama, and I received two Allstate's for a duet and a solo. I'm so grateful for all of my friends and family members that support me in all that I do. Always remember, "the best time to wear a striped sweater, is ALL the time."

Congratulations to the directors, cast, stage help, and everyone involved in another incredible musical production. Be sure to check out our great made from scratch daily pizza, daily food specials, movies and bowling specials at our website.

Jack

Senior

I am Paysen Robinson, son of Jennifer and Shane Robinson. I have had the honor of being in multiple musicals over the years. It seems like ever since an early age I have enjoyed theater and the magic that seems to come with it. This year is no exception. I am super excited to be a part of the Newsie production. I have the honor of playing Jack in the musical. Jack is a boy of 17 who acts like an older brother for every little kid who lives on the street. In this way he feels responsible for everyone and has a brotherly relationship with everyone. So I encourage you to sit back and hopefully enjoy the production as much as I have over these past few months.

Sydney Beeson

Katherine

Junior

Sydney has been a lover of music all her life! Her little self, singing and dancing around the house, could only dream of being on the stage where she is now! Sydney is a member of Sincopation, plays the cello in Chamber Orchestra, and has been an All-State singer for two consecutive years! She also loves to dance, anywhere from jazz to pointe ballet! Her family and friends mean the absolute world to her, and she wouldn't be anywhere near where she is now without their love and support! Sydney is just ecstatic to be playing Katherine this year, and never plans to stop performing! <3
