

Swift Creek High School Student Survey

Thank you for taking the time to honestly complete this survey. As a staff, we want to be the best that we can. Your answers will help us see how we are doing. Your name will not be connected to this survey in any way, but the numbers you enter at the end will help us compare if your thoughts change when you take this survey again.

If this is your first time taking this survey please answer the questions with your previous school in mind. If you have taken this survey before then answer the questions with your experiences at SCHS in mind since you last took the survey.
