

**Home School  
Letter of Intent  
2021-22 School Year**

*21-4-101(vi) "Basic academic educational program" is one that provides a sequentially progressive curriculum of fundamental instruction in reading, writing, mathematics, civics, history, literature and science. These curriculum requirements do not require any private school or home-based educational program to include in its curriculum any concept, topic or practice in conflict with its religious doctrines or to exclude from its curriculum any concept, topic or practice consistent with its religious doctrines.*

*21-4-102(b) A home-based educational program shall meet the requirements of a basic academic educational program pursuant to W.S. 21-4-101(a)(vi). It shall be the responsibility of every person administering a home-based educational program to submit a curriculum to the local board of trustees each year showing that the program complies with the requirements of this subsection. Failure to submit a curriculum showing compliance is prima facie evidence that the home-based educational program does not meet the requirements of this article.*
