Violation of this certification may constitute a material breach of contract upon which the owner may determine to cancel, terminate, or suspend the contract.

Contractor is required by Wyoming Statute 16-6-203 to adhere to Wyoming Preference Act which states; **(This is only a portion of the act)**

- Every person who is charged with the duty of construction, reconstructing, improving, enlarging, altering or repairing any public works project or improvement for the state or any political subdivision, municipal corporation, or other governmental unit, shall employ only Wyoming laborers on the project or improvement. Every contract let by any person shall contain a provision requiring that Wyoming labor be used except other laborers may be used when Wyoming laborers are not available for the employment from within the state or are not qualified to perform the work involved. The contract shall contain a provision requiring specific acknowledgement of the requirements of this section. A person required to employ Wyoming laborers may employ other than Wyoming laborers if:

(i) That person informs the nearest state workforce center of his employment needs at least eleven (11) days before work is commenced; and

(ii) The state workforce center certifies that the person's need for laborers cannot be filled from those Wyoming laborers listed with the Wyoming department of workforce services. The department shall respond to a person's request for certification within ten (10) days of the date the information is filed.

(b) Upon request by the workforce center, the general contractor shall provide the most recent construction schedule for the project

- **Just registering with the local Workforce Office is insufficient. The contractor must receive certification before hiring alien labor.**
