Principals Note

Thank you for your work and dedication in helping your student be successful thus far. It was fun to see the costumes and participate in our Halloween Carnival. Thank you to those who were instrumental in making it happen. We completed our first AR party to recognize your child's efforts in reading books during the first portion of the year. Thank you for continuing to encourage your students to read and practice their math facts. You make a difference. It is fun to see your students excel.

As we shift into winter, thank you for ensuring your student is prepared for the elements. Recess during the winter can be fun if students are able to stay warm. CHS will be completing a winter wear drive starting November 14th through November 23rd. If you have lightly used items please bring them to CES or CHS during this time. If you would benefit from an item after the drive is completed, please contact CHS or CES and we will see what we have available. Thank you for being a part of taking care of each other.

We will be hosting a visiting author on Wednesday, November 2, 2022. He will be completing a parent night that evening. Please plan to attend with your child and learn from a published author. This is a great opportunity to provide cultural opportunities for our community and students. We anticipate having another author in March and more information will be forthcoming about what to expect from his visit.

The ski hill will be coordinating their own transportation and ski lessons this year for those interested. Please feel free to contact the ski hill directly to see what opportunities and options are available.

Thank you again for your hard work and dedication in supporting your child's learning.

Sincerely,

Kenneth Dietz
Cokeville K-12 Principal.
