

Cokeville Elementary Newsletter

December 2024

We hope you had a great Thanksgiving!! Thank you for your continued work in helping encourage your student to read at home. We are looking forward to our next AR party which will be held at CHS. We will be using both gyms and the wrestling rooms. Students will rotate through different activities and we will utilize our bounce house and blow up dart board with Velcro balls. Students will also get to have root beer floats as part of the rotation. It should be a lot of fun. Thank you for continuing to encourage your student to read.

Thank you for ensuring your student is prepared for the elements as our weather continues to cool and more snow begins to fly. We want to ensure students have what they need to stay warm and enjoy the winter time of year.

We are looking forward to the Christmas play this year and other holiday traditions. The CES play will be December 18th at 7 p.m. in the CHS auditorium. Thank you for encouraging your students to do their best as they learn the music and for the students participating with different roles in the play. We hope you can join us for what is sure to be a fun night. Please watch for information about what students should wear if possible.

December 20th should be fun and educational, we will be partnering with the Cokeville Library and believe Santa will be at the library to greet students and provide a goodie bag in addition to the caroling, party, and other activities CES has planned for that day. It should be a great day before break and we are really looking forward to it.

As we approach our Christmas Break, we hope you are able to enjoy some extra time with your family. We have a full day of school on December 20, 2024 and then release for our Christmas break. School resumes on January 2, 2024. Thank you again for continuing to support your child's education.

Sincerely,

Kenneth Dietz
Cokeville K-12 Principal.

Parents, our annual Early Childhood Census is now happening! We ask that you go to www.lscd2.org and click on the link provided or use this QR Code or direct link to access the census and fill it out for any of your children who are birth to 5 years old and not enrolled in kindergarten yet. The district uses this information to plan for future needs of our schools and to get important information to you the year before your child will enter kindergarten. In January, there will be a census worker in your area that will contact you if you have not filled out the census online. The census will be open now through January 25. Thank you for taking the time to complete this census! If you have any questions about the census or have trouble accessing it, please contact Emily Isaacson 307-885-7129. <https://forms.gle/PLpb2HcD2FVMYas49>
