

# Cokeville Elementary Newsletter May 2025

## PRINCIPAL NOTE

Spring is in full swing, and May is packed with exciting events and celebrations! Students will be working hard to complete WYTOPP testing and district assessments, and we are so proud of all their efforts this year. Please continue to ensure students get a good night's sleep, have a good breakfast, and are ready to do his/her best.

We can't wait to see everyone at our 4th–8th grade concert on May 7th — it's sure to be a wonderful evening full of music and talent! On May 12th, we'll celebrate our students' hard work with a fun WYTOPP celebration in Montpelier. Later in the month, we'll wrap up our reading goals with the final Accelerated Reader (AR) party on May 29th, which will be a water party as usual and will be followed by one of our favorite traditions — Field Day on May 30th!

Please continue to keep an eye on the calendar and watch for updates from your child's teacher to stay informed about all the exciting things happening. As students enjoy the playground this spring, we also want to remind everyone how important it is to let an adult know right away if they hit their head while playing. Safety is always our top priority!

Thank you, parents and families, for your incredible support throughout this school year. We are so proud of our students and all they have accomplished! We hope everyone has an amazing summer filled with fun, adventure, and well-deserved rest!

Kenneth Dietz

Cokeville K-12 Principal

## Calendar

## REMINDERS

- Please have your student's lunch account paid in full for the school year. We cannot have negative lunch balances.
- Please register your student on Infinite Campus for the 2025-26 school year. This needs to be updated every year by parents.
- Please make sure all library books are returned by May 15th.
- Watch for information on our Summer Reading and Math open house.
