- 2/5 4th Grade Ski Trip

✧ Dry Creek Academy ✧

Our winter Dry Creek Academy session begins on Tuesday, January 8, 2019 and will run for four weeks. Please note the day of the week each club is being held. Students may check the DCA Bulletin Board to see which club(s) they are in.

Tuesday:

Computer Coding, Kids Sewing, Latch Hooking, Arts & Crafts, DCA Choir, Chess club, Geography Bee, and Volleyball.

Wednesday:

iMovie, Kids Sewing, Latch Hooking, Arts & Crafts, CPR/First Aid, DCA Choir, Volleyball, Chess Club, and Journal Making.

All clubs are held immediately after school and end at 3:25. Students may ride an activity bus to the high school and then catch the high school route buses home. If you plan on picking up your student, please meet them in front of the school.

✧ Busy with Bees ✧

January 2019 has become the month to compete in your favorite Bee! Students interested in the National Geographic Geography Bee have joined the Dry Creek Academy Geography Club in preparation for their bee which will be held after school on Monday the 28th. The school winner will then participate in an online bee to qualify for the state bee.

Classrooms will be holding their preliminary Bees to decide on the three representatives from each room to participate in the District 4-6 Grade Spelling Bee to take place at the district on Wednesday the 23th. Letters will be sent home with information to all classroom finalists.

✧ Winter has Arrived! ✧

A goal of our physical education department is to teach sports/activities that will keep students active throughout their lives. Skiing and snowboarding are an obvious choice as we are privileged to live in an area with abundant snowfall. Thanks to your support of the fund-raiser and reduced fees provided by Pine Creek Ski Resort, we are able to offer two days of skiing/boarding with instruction for each grade level. The two days increase the likelihood that our young skiers will taste enough success to instill a desire to continue. It is amazing to see how quickly they learn!
