READ, READ, READ
AND
PRACTICE THOSE
MATH FACTS!

End of the Year Housekeeping

Lunch Balance Reconciliation

As the end of the year approaches, it is time to take a close look at student lunch balances. Federal law does not allow students to charge lunches, however, at times student balances do end up in the negative. We will need to have all negative balances cleared up by the end of the school year. You can log into your Parent Infinite Campus Portal to see your student's lunch balance, or you may call the school to check. Positive balances will carry over to the next school year, as well as to SVMS for 6th graders.

2019-2020 Teacher Information

Thank you for your input on class placements for your students. Class placement involves a time-intensive process in which students are considered individually to make sure they will succeed based on teaching style, learning style, interaction with peers in the classroom, student strengths, and teacher strengths. With that being said, every effort is made to honor your request.

We will mail a letter with the name of your student's new teacher as well as other vital information as soon as we receive a completed registration for your student through Infinite Campus. A letter has already been sent home with directions on how to do this. Please call the school if you have any questions or concerns.

Osmond's Fabulous PTC

I am sure that we are biased, however, we have the very best PTC. Our wonderful Moms have been so helpful in every way. They have helped with the pumpkin patch, fundraiser, talent show, literacy week, teacher appreciation week, and many other events. The PTC helps us reach SUCCESS AT THE NEXT LEVEL. If you are interested in joining our PTC, look for information at the summer Back To School Open House!

**THANK YOU TO OUR
FABULOUS OSMOND PTC!!**

Lincoln County School District #2 is pleased to partner with Lava Hot Springs to provide three sessions of Swim-N-Learn for Summer 2019. The new program features lessons from the American Red Cross. We will provide busing from Etna and Afton.

Registration links will be available soon and online payments will be accepted. Here are the dates:

Swim-N-Learn Session 1 at Lava Hot Springs: June 3-6 and 10-13
Swim-N-Learn Session 2 at Lava Hot Springs: June 17-20 and 24-27
Swim-N-Learn Session 3 at Lava Hot Springs: July 8-11 and 15-18

We have been grateful for the many programs have been paid for with 21st Century Community Learning Centers (21CCLC) money, including: Swim-N-Learn, Morning Fitness, and STEM after school classes. Moving forward, there are changes being made. Some of these programs will continue under the grant, and some will continue under Lincoln County School District #2.

We appreciate your patience as these changes are made. You will receive notification for each program as details are confirmed.

Heartfelt thanks go to Christine Turner for her many years of service in creating and directing the 21 CCLC Grant Programs for our schools. She has enriched the lives of students and families and we are grateful for her lasting influence in this community. All our best to her as she pursues new avenues.

Be watching for our Online Renaissance Summer reading program!

Osmond Elementary is a pilot school for MyOn Reader, by Renaissance. This is a student centered, personalized literacy platform that offers unlimited access to thousands of enhanced digital books that can be accessed anytime, anywhere. Students can read at home or on the go, making it easy for them to learn wherever their summer reading adventures take them! Mrs. Hunsaker will have more information for students in the next couple of weeks pertaining to student login and how they can access this program.

Wyoming Association of Elementary and Middle School Principals

SUMMER READING PROGRAM

This summer program is designed to promote continual reading during the summer months. Students who participate and read during the summer will receive a certificate of participation as well as additional prizes to be used during our Fall Scholastic Book Fair.

**Information will be coming home
with students soon!**
