April 7, 2020

Greetings to our 6th grade students and parents!

Per guidance from the state we will not be holding our T-dap Clinic with Public Health for the previously scheduled date of April 16th. Lincoln County Public Health has stated that we will revisit scheduling this clinic once the COVID-19 storm has passed. Thank you for your understanding!

We hope you are all staying healthy and well during this time of our school closure!

Sincerely,

The Office Staff at Osmond

Success At The Next Level through Rigor, Relevance, and Relationships.
