# Spelling Bee Champions!

## Skiing, Skiing!! We love Skiing!

Osmond's annual ski program is all but over and the consensus is: our students LOVE the opportunity to take advantage of our wintry conditions. A bit of a necessity since we spend half of our year covered with the white stuff! Even with the shortage of snow we have had this year, we made the most of it!

- 6<sup>th</sup> grade went first on January 12<sup>th</sup> and 14<sup>th</sup>. It is so amazing to see the progress these students have made since the 4<sup>th</sup> grade!
- 5<sup>th</sup> grade took their turn on January 19<sup>th</sup> and 21<sup>st</sup>. They reported a great day on the slopes!
- 4<sup>th</sup> grade went for the first time this last Tuesday, January 26<sup>th</sup> and will finish up with their turn next Tuesday, February 2<sup>nd</sup>.

Thank you for your support this year with our fundraiser! We understand that the accommodations that needed to be made in order to still hold the fundraiser were not ideal. We appreciate your understanding – we have the best parents here at Osmond!

Osmond Elementary will be holding a canned food drive during the month of February. This year we would like to have a competition amongst the grade levels! The winning grade level will win a Hat Day and Ice Cream Party!! Here's how it will work! We will have a box assigned to each grade level in the hallway in front of the office. When the box has been filled, a tally mark will be added to a tally board so the kids can see their progress! We want to make this a meaningful experience for the students in knowing they are helping to make a difference. That being said, we also don't want this to be an added burden on any family. If you are able and willing, the Pantry is always in need of **cereal, soup, canned tuna/chicken, and pasta** - however ANY items that you can donate, are greatly appreciated! Thank you!

### Please see below for information regarding Valentine's Day

Picture heart shaped balloons, chocolate covered strawberries, flowers, or cuddly teddy bears and your mind quickly turns to those you love. What a great time of the year to let the special people in your life know how much you love them. However, we ask that you NOT send these items to the school.

When mementos of love for your child are sent to the school, it does make your child feel loved. However, not all students will be lucky enough to receive something. It is hard to describe how excited the kids are as they stop by the office to see if their latest delivery is for them just to watch the excitement turn to disappointment. We ask that you please save your celebration for home. This does not mean that we don't celebrate Valentine's Day at Osmond. Watch for notes to be sent home by classroom teachers as they will all be doing something special! Happy Valentine's Day!
