April 2024

4/1/24 - School Resumes

4/5/24 - No School

4/8/24 - 4/12/24 - Teacher
Appreciation Week at Osmond

4/9/24 - Spring Dry Creek
Academy begins.

4/11/24 - Spring Pictures

4/11/24 - PTO meeting ~ 10 am
All interested parents are invited

4/12/24 - 4th Grade Field Trip to
Oregon Trail Center

4/18/24 - Lockdown Drill

4/19/24 - No School

4/26/24 - No School

4/30/24 - 4th / 5th Grade Choir
Concert 6:00 pm - 6:30 pm

LOOKING AHEAD:

5/8/24 - 5th / 6th Grade Orchestra
Concert 6:00 pm - 6:30 pm

5/8/24 - 5th / 6th Grade Band
Concert at 7:00 pm - 7:30 pm

2024-2025 Teaching Assignments

The teaching assignments at Osmond for next school year will be as follows:

4th Grade

Tara Frome
Brienne Henscheid
Morgan Peterson
Jeff Whitney
Michelle Wolfley

Special Education

Jake Jensen

5th Grade

Drue Hokanson
Earl Jenkins
Isaac Mayes
Katie McKeown
Joseph Semadeni
Makayla Taylor

Special Education

Aspen McAdams

6th Grade

Bobbi Coates
Kade Erickson
Jeff Greenwood
Courtney Hurst
Adam Robbins
Ehryn Thomson

Special Education

Russ Gardner

Application for Classroom Placement

The time for preparations for next school year are approaching! Although not required, if parents would like to share input regarding their child's class placement for next school year, **a completed application form must be submitted to the office no later than April 25th (no exceptions)**. The form is available in the office and on our website under "24-25 Classroom Placement Application" (under the Family and Students tab, then documents) at osmond.lcsd2.org. All requests can be either faxed to 307-886-5789, scanned and emailed to lyndi.nield@lcsd2.org or dropped off at the school. **Phone calls, emails, notes, or conversations with teachers about placement will not substitute for completing the form.**

When making a recommendation, please consider the following:

- Every classroom in each grade level offers the same exposure to the curriculum.
- The process for making classroom assignments for the following year is time-intensive and very complex; ensuring students are considered individually for how they will succeed based on teaching style, learning style, interaction with peers in the classroom, student strengths, and teacher strengths. **Most importantly building balanced classes and working with special learning needs is a higher priority than parent requests.**
- We cannot consider more than one request per student.
- Parent input is *one* determining factor but not *the* only determining factor in placement. While we work hard to consider parent input, placement from parent input is not guaranteed. Teachers, along with myself, take the above listed factors into account when it comes to placing all students in classrooms.
- Application forms that are incomplete will not be honored.

Parent input is due to the office by the end of the school day on **April 25, 2024**. Any requests received after that date, including requests made once the class lists have been posted, will not be considered.

Thank you for helping make this a great year at Osmond Elementary. We appreciate your support and all you do to make this a good experience for your child. As always, if you have any questions, please feel free to give me a call at 307-885-9457.

- Principal Jack

REGISTRATION FOR THE 2024 – 2025 SCHOOL YEAR WILL OFFICIALLY OPEN ON APRIL 1ST

Go to lcsd2.org and complete registration for your student's upcoming school year. This is something we need completed for every student. Please make sure that all information including address, phone numbers, email addresses, emergency contacts, etc. are up to date. It is important that this information is correct in order for us to contact you and send school correspondence.

When dropping off and picking up students please pull all the way forward.

This helps keep the flow of traffic moving smoother, so we are not backed up on the road. It also helps with safety concerns for our students and staff.

Thank you for your cooperation!

State Testing

WY-TOPP stands for Wyoming's Test of Proficiency and Progress. The window for these standardized tests opens on April 16th and ends on May 9th. Our teachers are coming up with a testing schedule for their class. By combining our efforts, we will be able to make this a positive and productive time.

- Make sure your child goes to bed early. A good night sleep is important! Students should get between 9 and 11 hours of sleep every night.
- Provide a good breakfast. To work properly your brain needs fuel.
- Make sure they attend school every day. Make up tests are difficult to schedule!
- Please schedule doctor/dentist appointments for afternoons.

The Osmond library would like to say thank you for all the parental and student support with our book fairs this school year.

We would also like to thank those parents who took the time to participate in our Spring Parent Teacher Conferences.

We truly have some of the best students and parents!

NURSES CORNER: April is Distracted Driving Awareness Month

THE FOUR TYPES OF DISTRACTIONS ARE:

Visual – looking at something other than the road.

Auditory – hearing something not related to driving.

Manual – manipulating something other than the steering wheel.

Cognitive – thinking about something other than driving.

FIVE FACTS YOU SHOULD KNOW BEFORE TEXTING AND DRIVING

1. **You're at a huge risk.** Text messaging increases the risk of crash or by 23 times.
2. **Teens are at a huge risk.** The fatal crash rate for teens is 3 times greater than for drivers age 20 and over.
3. **Teens are not better at texting.** Driver distraction is responsible for more than 58% of teen crashes.
4. **Most people are hazards.** Over 80% of drivers admit to blatantly hazardous behavior while driving, such as changing clothes, steering with a foot, painting nails, or even shaving.
5. **Five seconds is a long time.** Sending or reading a text message takes your eyes off the road for about 5 seconds, long enough to cover a football field while driving at 55 mph. Each day in the United States, approximately nine people are killed and more than 1,000 injured in crashes that are reported to involve a distracted driver.

Each day in the United States, approximately nine people are killed and more than 1,000 injured in crashes that are reported to involve a distracted driver!

WHY DISTRACTED DRIVER AWARENESS MONTH IS IMPORTANT

- **Texting and swerving.** People who text and drive, statistically spend 10% of their time on the road, outside their lane. Yikes!
- **It's illegal.** 43 of America's 50 states have laws prohibiting texting and driving. South Dakota, New Mexico, Mississippi, Texas, Oklahoma, and Missouri have laws regulating it. Arizona just extended their reckless driving laws to cover texting.
- **Texting is worse than drunk driving.** Texters are six times more likely to wreck their car than drivers over the legal drinking limit. How horrifying is that? Answer: **VERY!**

Please remember to drive responsively and wait to make that phone call or text until after you have finished driving. You could unintentionally kill someone else or even yourself.
