

It's Fundraiser Time!

Through this fundraiser students will be raising money to pay for several activities, including our winter ski trips. We are thrilled to be planning activities that encourage our approach of educating the whole child.

This year we will once again be partnering with the **Cards For a Cause Fundraiser** offering high quality, useful greeting cards.

- The sales window will open October 28th and close at midnight on November 14th.
- We are asking each student to sell at least 4 boxes of cards. The portion we earn from the fundraiser will cover the student's lift tickets and rentals for both of their Pine Creek ski trips this winter.
- Friends and family can visit [our new school store oestore.lcsd2.org](http://oestore.lcsd2.org) where they can order and pay online. At check out, we ask them to enter the name of the student(s) they are buying from.
- If cash or check is preferred, students can keep it in this envelope and bring it to the office with checks written to Osmond Elementary.
- Feel free to share the attached flyer/order form through email, text or social media to friends and family.
- All orders will be shipped to the school then distributed to students to deliver. Orders should be here no later than mid-December.
- This year students have the opportunity to earn our custom collection of stickers! Students will get a sticker for every box they sell. These are fun for water bottles, ipod or phone covers, luggage, and so much more. The student that sells the most boxes of cards per grade level will win a new water bottle to put their stickers on!

Opting Out:

If your family would prefer to NOT participate in the fundraiser, you may check the option below that best fits your student's ski trip needs.

Please send your payment by cash or check along with this form to the school by Nov 14th. Checks can be made out to Osmond Elementary.

If you would like to pay online, please visit oestore.lcsd2.org and use the donate button. At checkout, please note your student's name and that you are opting out. However, please still send this form back to school so we know which option below works best for them.

___ I will pay online or send \$60 with my student to cover their rental and lift ticket for both ski trips.

___ My student has his/her own equipment. I will pay online or send \$35 to cover lift tickets for both ski trips.

___ My student has a season pass to Pine Creek. I will pay online or send \$25 to cover equipment rental for both ski trips.

___ My student has his/her own equipment and will have a season pass to Pine Creek. No payment needed.
