MR. HADERLIE

We hope you had a wonderful holiday season with friends, family and loved ones. As we look to the second half of our year and the middle of trimester 2, there are some exciting things on the horizon. There will be only one night of parent teacher conferences this trimester, and it will be in Etna on January 9th from 4:30pm - 7:00pm. Please swing by if you can visit with some teachers and enjoy some hot chocolate. On this same date, all our sophomores will take the ASVAB test. We feel this will help them and you with their post high school planning. We wish the best of luck to our kids in activities as they will be busy during the month of January. Go Braves!

ACTIVITIES

Winter sports are now up and going. We would like to remind everyone –

We love your children, but ask that you please make sure and supervise them at all times during events at Star Valley High School.
