## **MR. HADERLIE**

As we have now started our 3rd trimester and continue our journey to the end of 2024, we wanted to take a minute and thank you for all your hard work, resilience, and especially the random acts of kindness throughout the year, most of which we are likely unaware of. There have been challenges and accomplishments as we made our way through the first 2 trimesters, and you have certainly risen to the occasion. Remember your actions not only affect you but those with whom you associate and interact with. Being kind to each other is a powerful force that can lift spirits, bring a smile to the face of someone and helps create a great school atmosphere for all. Please do your best to work hard, stay focused, and press forward as we get closer to spring, our ACT and WyTopp testing time, and ultimately the close of this school year. Please reach out with any questions, concerns, or ways we can be of service and helpful.
