

Spring Golf SVHS

Scheduled tournament dates:

Rock Springs 4-18

Kemmerer 4-26

Green River 5-1

Star Valley 5-10

Jackson TBD

Not everyone will be able to play in all these events, but coaches will try to make sure that all participating golfers get to play at least at home and travel to one tournament.

Practice will start after school on 4-15 and all participating golfers must play two full 9 hole rounds prior to that week's tournament if they wish to play in it. Signed and attested score cards must be submitted to coaching staff before tournament start each week.

This will be a very competitive year for spots on the varsity golf team. Golfers who take full advantage of all opportunities to practice and play between now and August stand the best chance of making the traveling team. In other words, you need to play and practice A LOT. Deeply discounted junior membership rates are available at SVR and SVV.

In addition, we strongly suggest you play in as many summer tournaments as possible. The Idaho Golf Association has a junior golf tour with an eastern Idaho district schedule that is close and convenient for you. You must register for the tour and sign up for tournaments on their website if you wish to participate. <https://www.idahojuniortour.org>

The fall golf season starts on Monday, August 12th. We suggest you get your physical and permission/activity forms signed and turned in now before school lets out for the summer.

Tournaments we are pretty set to attend this fall season:

Week 1 and 2 still pending. Rock Springs Aug 29-30 / Riverton Sept 5-6

4A West Conf Casper Sept 12-13 / State Star Valley Sept 20-21

If you are unsure if Coach Fullmer has your cell phone contact information, please make sure to contact him (307-248-1937). Keep an eye out for announcements throughout the summer. We are in the process of planning some events like a weekly date for Open Range nights and informal competitions.
