☛ All golfers are responsible for their own transportation up to 8-26, the first day of school. On that day forward, until the end of the season, a route bus (# forthcoming) will take golfers to the course from the high school and back to the school for the activity bus.

☛ Unsupervised practice rounds for non-traveling golfers while teammates and coaches are traveling are required. Players may complete their 18 holes at once or play 9 on two different days on any golf course. Signed score cards required for submission when regular practice next resumes.
