SVHS ADMINISTRATION

Star Valley High School Students, Staff, and Parents,

What a great October we've had! Homecoming week was a highlight — full of fun, spirit, and time spent together as a school family. Thank you to everyone who helped make it such a success. It's always a joy to see our students dive into the traditions that make Star Valley High School so special.

Time is flying by, and it's hard to believe we're already just a few short days away from the end of our first trimester. We hope our students are able to find some rest as they wrap up projects, study for finals, and prepare for the next chapter of the school year.

We've also had an exciting fall season with our Cross Country, Marching Band, and Golf Teams competing at State — and Volleyball and Football continuing their postseason runs. What an incredible effort from all our student-athletes and coaches!

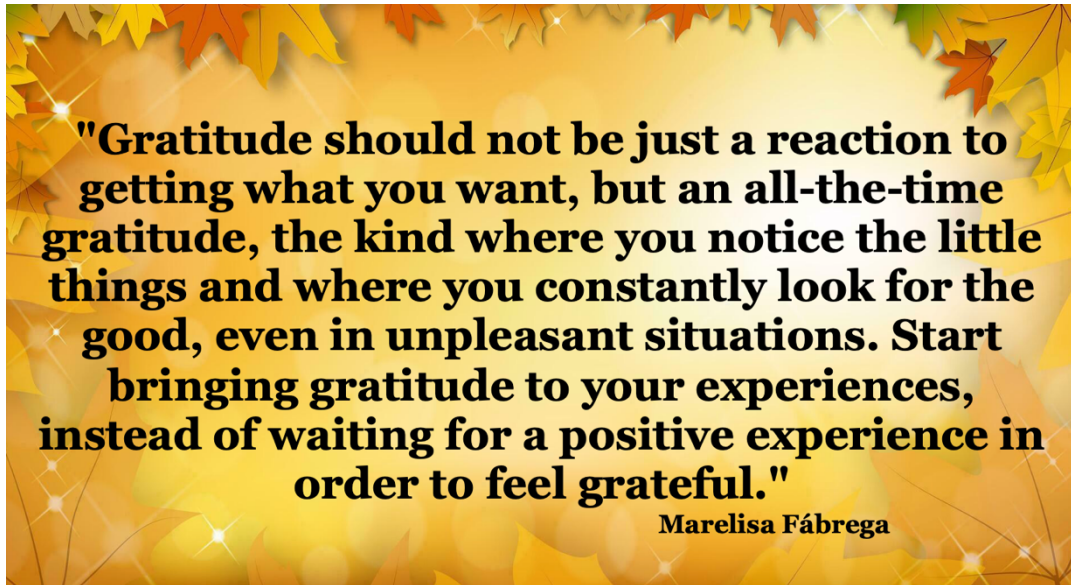

On a more serious note, we want to remind parents and guardians how important it is to stay connected to your child's digital world. Navigating life online can be tough, and sometimes students find themselves in difficult situations without knowing where to turn. Please know that resources are available here at SVHS, and our local law enforcement is always willing to help if needed. We care deeply about our kids and want to do everything we can to keep them safe, supported, and informed.

We truly love this community — the people, the traditions, and the way everyone looks out for one another. Thank you for being part of what makes Star Valley High School such a great place to learn and grow.

Go Braves!

STUDENT COUNCIL

For the month of November, our Student Council theme is **"Gratitude."** Throughout the month, we'll be weaving this theme into all of our activities and school days—taking time to appreciate one another, recognize the good around us, and celebrate a spirit of thankfulness together.

THE CAFETERIA

Visit the Website by going to:

lcsd2.org –
Click the Family & Students Tab –
Select "Food Services Website"

Free & Reduced Meal applications can be filled out online through your Parent Infinite Campus account. Information can be found at:
lcsd2.org/free-reduced-application-instructions/

THE SCHOOL NURSE

Visit the Website by going to:

lcsd2.org –
Click the Family & Students Tab –
Select "School Health & Nurse Services"

*Please make sure and contact the school nurse if your student needs to take any medications at school.
