*Success at the Next Level  
Through the ABC's of Education*

**Help us "lose" the LOST and FOUND! Please write your student's name on clothing, backpack, jackets, etc.**

**Bus Notes** - please send a note to the school or teacher if your child is to be delivered to a place other than their regular destination including an address, phone number, bus information, etc. Please sign and date the note. Written notes are preferred, however, in an **emergency only**, you may make verbal notification for a change in student drop-off by calling the school's secretary **no later than 2:00 p.m.**

**Student Pick-Up** - For the safety of our students, parents who pick their children up from school at the end of the day will be asked to wait for their children in the "Parent Waiting Area" that is located in the hallway next to the gym. This will help alleviate congestion in the hallways and insure that students are delivered to their parents safely.

**Student Accident or Health Insurance** - The school does not have insurance but does provide an opportunity to purchase insurance from a private company. Information on this insurance can be obtained at [www.studentinsurance-kk.com](http://www.studentinsurance-kk.com) or by calling the district office at 885-3811.

**Visitors** – For safety reasons, parents and volunteers are asked to sign in at the office when entering the building and get a visitor's pass.

**Online Lunch Deposits** - New this year: Lunch money can now be deposited online through your Infinite Campus Parent Account. Deposits can be made by credit card, debit card, and echeck to all your students in one transaction, including recurring deposits, etc. There is a \$2 per transaction convenience fee.

**Lunch Information** - **District Policy does not allow us to carry negative balances.** Any amount can be added to your student's account, then it is spent out when students take a tray. The prices are \$2.60 for lunch and \$1.60 for breakfast or reduced prices are \$.40 for lunch and \$.30 for breakfast. Free/Reduced Lunch applications are available in the office. (Students who bring a lunch from home may purchase milk for 50 cents. Please send exact amount.)

**Wellness Policy** - District policy states that food and treats for classrooms must be pre-packaged or come from a commercial kitchen or bakery that is inspected by state officials. Homemade treats will not be allowed. The ban is solely about ensuring the safety of students, as there is no way for the school to determine if homemade treats are produced in a safe, sanitary manner. If you have any questions, please contact the school.

# The Fresh Fruit and Vegetable Program

## What is the FFVP?

The Fresh Fruit and Vegetable Program is a USDA funded program created to:

- \*Expand the variety of fruits and vegetables children experience
- \*Increase children's fruit and vegetable consumption
- \*Make a difference in children's diets to impact their present and future health

A "snack" of a fresh fruit or vegetable is provided to each student during the school day. Items offered are chosen to expose kids to all types of fruits and veggies not just things the kids will all like. The goal is exposure and expansion of kids experience with fruits and veggies. Though they often have familiar foods, exotic varieties are offered as seasons and funds allow.

If you have questions or ideas about the FFVP you can contact Sue Helm at the LCSD #2 District Office.
