

# Kindergarten Registration Night Thayne Elementary

Thursday, May 9, 2019  
5:00 p.m. - 7:00 p.m.

Please join us for an opportunity to visit your new school, meet teachers, get bussing information, ask questions, get immunized, and register for Kindergarten. Drop in at your convenience during the open house.

**For your information:** The Lincoln County Public Health nurse will be here and can provide immunizations during registration. Immunization requirement information is on the back of this flyer.

## ITEMS TO BRING OR COMPLETE FOR REGISTRATION NIGHT:

1. Please bring your child's immunization record and official state issued birth certificate, as these are required for registration.
2. The **online registration** is now available at <http://tech.lcsd2.org/parents/>. Under "Infinite Campus", you will choose either:
  - a. New Household Registration – currently no one in your household is attending at LCSD#2.
  - b. Returning Household Registration – use if you have any students currently attending, even if you are registering a new student. (Please click "help" if you have any issues and send an email to [tacrook@lcsd2.org](mailto:tacrook@lcsd2.org) or phone 307-885-7149.
  - c. Tech help will also be available at Kindergarten Registration Night.

## Please note:

- If you cannot attend, please contact Sharon Woolley, school secretary, to schedule an appointment for your child's registration.
- If your student will not be attending Thayne Elementary for the 2019-2020 school year, please let us know.
- Contact Thayne Elementary at 307-885-2380 or email Sharon at [swoolley@lcsd2.org](mailto:swoolley@lcsd2.org) with any further questions.

# School Nurse Guide to Wyoming School Immunization Requirements (Kindergarten – Grade 12)

**Effective: 2016-2017 School Year**

(Updated 08/16)

**Minimum Immunization Requirements:** 1. Parents/guardians must provide proof of immunization or provide documentation of medical or religious exemption from mandatory immunizations. 2. A vaccine administered up to four (4) days prior to the minimum age/interval for that vaccine is considered compliant with that vaccine administration schedule.

Vaccine	Kindergarten - Grade 6	Grade 7 - 12	Footnotes
Diphtheria/Tetanus/acellular Pertussis (DTaP) or Diphtheria/Tetanus/Pertussis (DTP) or Diphtheria/Tetanus (DT)	5 doses*	Complete Series (Tdap for kids vaccinated ≥ age 7)	*If a fourth (4th) dose of DTaP vaccine was administered on or after a child's fourth (4th) birthday, and at least six (6) months has passed since the third (3rd) dose, a fifth (5th) dose is not required.
Haemophilus influenzae type b (Hib)	"Complete Valid Series" 1-4 doses**	n/a	**The number of primary doses of Hib vaccine is determined by vaccine product and age the series begins. If a child has not received the completed series of Hib vaccine and is younger than 60 months (5 years) of age, the child should receive one (1) dose of the Hib vaccine. Hib vaccine is not required for children age 5 years and older.
Hepatitis B (Hep B)	3 doses	3 doses	
Measles/Mumps/Rubella (MMR)	2 doses	2 doses	
Polio (IPV)	3-4 doses***	3-4 doses	***Children who receive three (3) doses of IPV before the fourth (4th) birthday should receive a fourth (4th) dose before or at school entry. The fourth (4th) dose is not needed if the third (3rd) dose is given on or after the fourth (4th) birthday.
Tetanus/diphtheria/acellular pertussis (Tdap) <sup>5</sup>	n/a	1 dose****	****Children eleven (11) years of age and older should receive the Tdap vaccine. Children with a medical contraindication to the pertussis (whooping cough) antigen should receive Td instead of the Tdap vaccine. Tdap vaccine may be administered to a child regardless of the interval since the last tetanus- or diphtheria-toxoid containing vaccine.
Varicella (chickenpox)	2 doses (or documented history of disease)*****	2 doses (or documented history of disease)*****	*****If a child has had chickenpox the parent, guardian, school nurse, or physician must provide a written statement for the student's permanent school record.  A student who has been diagnosed with a history of herpes zoster (i.e. Shingles) is considered as having evidence of immunity to Varicella.

# Lincoln County Public Health

421 Jefferson Ste 401 Afton, WY 83110 307-885-9598 (ph), 307-885-0175 (fax)  
520 Topaz, Ste 109 Kemmerer, WY 83101 307-877-3780 (ph), 307-828-3114 (fax)

Dear Parent(s):

Public Health in partnership with LCSD#2 is providing a kindergarten vaccination clinic for your convenience at kindergarten registration.

We will be offering the Dtap (Tetanus, Diphtheria, Pertussis), IPV (Polio), MMR (Measles, Mumps, Rubella), and Varicella (chickenpox) vaccines, which are required for entry into kindergarten. This clinic is a public service provided by LCSD#2 and Lincoln County Public Health with vaccine provided by the Wyoming Department of Health's Vaccines for Children Program.

Vaccination is the safest and most effective way to protect your students from many serious and potentially fatal diseases. To protect as many students as possible, Lincoln County Public Health has scheduled immunization clinics for:

**Thursday, May 2nd: Afton Elementary, 5:00 - 7:00 p.m.**

**Friday, May 3rd: Cokeville Elementary 9:00 a.m.**

**Thursday, May 9th: Thayne Elementary 5:00 - 7:00 p.m.**

At the clinics, we will have Vaccine Information Statements, Notice of Privacy Practices and consent forms available. We can only immunize properly if we have your child/children's previous immunization records so please make sure to have those with you if you would like us to provide immunizations at the clinics. We accept most insurances (we are in network with Blue Cross Blue Shield, Cigna, Medicaid, and United Healthcare - all others are considered out of network). Please bring your insurance cards with you. The vaccine itself is free of charge but we do ask for an administration fee of \$20 per shot but we do not turn anyone away because of inability to pay.

Please take advantage of this opportunity to get your kindergarten student's immunizations up to date. If you have any questions, please call our office at 885-9598. Thank you.
