

Parents and upcoming Kindergarten students:

Thayne Elementary Kindergarten Registration Open House
Tuesday, May 2, 2023, from 5:00 pm - 7:00 pm

Come anytime during the Open House to see your new school, meet teachers, visit the immunization clinic, ask questions, etc.

In preparation for the Open House, please read this letter in its entirety as several items will take time to complete.

First, gather the following documents REQUIRED for school enrollment and bring them to registration night:

1. **Child's immunization record**
 - a. Bring what you have... even if it isn't complete.
 - b. An immunization clinic is available at the open house provided by Lincoln County.
 - c. Please see the important attachment from Lincoln County Public Health.
2. **Child's official state-certified birth certificate or bring documentation that it has been ordered such as: proof of payment, confirmation letter or email, etc.**
 - a. If your child does not have a birth certificate, please order it right away from vital records (as it can take several weeks to arrive).
3. **Legal Guardian's driver's license or other form of ID.**
4. **Legal guardianship papers: needed only if you aren't listed on the child's birth certificate.**

Per LCSD#2 policy: STUDENTS WITHOUT REQUIRED DOCUMENTS CANNOT START ATTENDING SCHOOL UNTIL ALL DOCUMENTS ARE PROVIDED.

Second, beginning April 24 complete the online student registration for 2023-24 on Infinite Campus (*applications entered early will be DENIED as the wrong school year*):

1. Use child's legal name as it appears on the birth certificate.
2. Go to <https://tech.lcsd2.org/parents/online-registration/> and follow the instructions.
3. Click "help" if you have any issues with registration and send an email to sydney.gardner@lcsd2.org or call 307-885-7105.
4. Tech help will also be available at Kindergarten Registration Night.

Please note:

- If you cannot attend, please contact the school office at 307-885-2380 to schedule a time to bring in your child's required documents before May 25.
- If you have a need to request a teacher, "**Classroom Placement Applications**" must be received at the school no later than today, May 2, 2023, at Registration Night.
- Watch our website at thayne.lcsd2.org for information of upcoming events before school starts.
- If your student will not be attending Thayne Elementary for the 2023-2024 school year, please let us know, so we can remove him/her from our list.

Lincoln County Public Health

421 Jefferson Ste 401 Afton, WY 83110 307-885-9598 (ph), 307-885-0175 (fax)
520 Topaz, Ste 109 Kemmerer, WY 83101 307-877-3780 (ph), 307-828-3114 (fax)

Dear Parent(s):

Public Health in partnership with LCSD#2 is providing a kindergarten vaccination clinic for your convenience at kindergarten registration.

We will be offering the Dtap (Tetanus, Diphtheria, Pertussis), IPV (Polio), MMR (Measles, Mumps, Rubella), and Varicella (chickenpox) vaccines, which are required for entry into kindergarten. This clinic is a public service provided by LCSD#2 and Lincoln County Public Health with vaccine provided by the Wyoming Department of Health's Vaccines for Children Program.

Vaccination is the safest and most effective way to protect your students from many serious and potentially fatal diseases. To protect as many students as possible, Lincoln County Public Health has scheduled immunization clinics for:

Tuesday, May 2, 2023, from 5:00 p.m. - 7:00 p.m. at Thayne Elementary

Wednesday, May 3, 2023, from 5:00 p.m. - 7:00 p.m. at Afton Elementary

At the clinics, we will have Vaccine Information Statements, Notice of Privacy Practices and consent forms available. We can only immunize properly if we have your child/children's previous immunization records so please make sure to have those with you if you would like us to provide immunizations at the clinics. **To expedite the registration process, you may email a copy of your immunization records to us prior to the clinic dates. Records can be emailed to phnafton@wyo.gov or brought to our office located at 421 Jefferson St, Ste 401 in Afton.** If you'd rather schedule an in-office appointment instead you can do so by calling 307-885-9598.

We accept most insurances (we are in network with Blue Cross Blue Shield, Cigna, Medicaid, and United Healthcare - all others are considered out of network). Please bring your insurance cards with you. The vaccine itself is free of charge but we do ask for an administration fee of \$20 per shot but we do not turn anyone away because of inability to pay.

Please take advantage of this opportunity to get your kindergarten student's immunizations up to date. If you have any questions, please call our office at 885-9598. Thank you.
