School News:

As you know, Sharon Woolley, our beloved secretary, is retiring. As a school, we wish to express our deep gratitude for all Mrs. Woolley has done for countless students, staff, and parents for many years. Not a day has gone by that Sharon hasn't provided individual comfort and care for students, patiently guided staff members through logistical questions, answered a thousand phone calls with a warm smile, and elevated the attitude of everyone around her. Sharon's work has been about so much more than filing and scheduling. She has been our rock, our support, our cheerleader. Mrs. Woolley is the epitome of everything we strive to be at Thayne Elementary and we will miss her dearly. Thanks for everything Sharon! Happy retirement!
