Kindergarten Celebration and Music Performance
- May 29:**
Field Day
- May 30:**
Last day of school early release time 10:20 am
- August 19:**
4-6pm Back to School Night

2025-2026 STUDENT ONLINE REGISTRATION IS NOW OPEN!

Every year, we ask families to complete an online registration to ensure that we have the most accurate and up-to-date information for you and your student(s). This process is essential for several important reasons:

Student Records

- Accurate information helps us maintain current records, ensuring student safety and effective communication.

Policy Acknowledgment

- During registration, you'll review and agree to the latest school policies. This helps ensure both you and your student are informed about current guidelines and expectations.

Class Placement

- Early registration helps us plan class assignments, allocate resources, and build balanced schedules.

How to Register: The process is entirely online and completed through our student information system, Infinite Campus. You can access the registration portal here:

<https://tech.lcsd2.org/online-registration-vers2/>

Your cooperation ensures a smooth and successful start to the new school year. Thank you for being a valued part of our school community!

Thank You for Making a Difference!

We want to give a sincere thank you to some truly amazing people who go above and beyond for our school community. To Kelsey Wood, Kala Bailey, Mindy De Niz, and Stephanie Roberts—your tireless efforts and daily support made the Thayne Elementary Food Drive a success. Your dedication, organization, and kindness help ensure our students and families feel seen, supported, and cared for. We couldn't do it without you!

To Butch and Jill Roberts—thank you for your generous donation to our student body and your continued support of Thayne Elementary. Your kindness continues to make a lasting impact, and we're so grateful for your ongoing partnership and belief in our mission.

We also want to recognize the incredible parents and families who selflessly donated items or money to this year's food drive. Thanks to your generosity, we collected over 1,900 items and raised more than \$1,000 to bless families in our community. Your compassion and willingness to give make all the difference.

And finally, a big shoutout to our friends at Swift Creek High School for stepping in to help with the heavy lifting. Their hard work loading and transporting all the donated goods to our local food bank was a huge help. It's the caring hearts of this amazing community that make Thayne Elementary such a special place. Thank you to everyone who helped make this event a success!

Food Drive Results!

Total donations:

Our school collected 1,910 items and \$1,202 in monetary donations for our local food banks! **Classes with the most donations earned a donut party!**

Classes with the most donations:

- | | | |
|--------------|-------|----------------|
| Kindergarten | ————> | Mrs. Robinson |
| 1st Grade | ————> | Ms. Wolfley |
| 2nd Grade | ————> | Mrs. Turner |
| 3rd Grade | ————> | Mr. Kennington |

3rd Grade Star Valley Days:

Wednesday, May 21, Thayne third graders will be joining Afton and Cokeville third graders at the Afton Fairgrounds for Star Valley Days. Here they will learn about the rich history of Star Valley at the Daughter of the Pioneers and Big Barn Museum where they will hear stories all about the first settlers of Star Valley. They will get to see a real working dog rounding up cattle in the rodeo arena. They will even get to take a wagon ride pulled by draft horses, as well as try their hand at calf roping. Yeehaw!

2025-2026 Thayne Elementary Teachers

3rd Grade:

1st Honors:

Ella Simpson
Elmer Roberts
Ruger Binon
Heith Merritt
Dominic Anschuetz
Dagan Yang Burnett
June Robinson
Tibor Frassinelli
Clayton Geranen

2nd Honors:

Stella Boogaard

3rd Honors:

Christopher Varela

4th Honors:

Adelaide Rentschler

2nd Grade:

1st Honors:

Oakley Wagner
Anna Crowther

End-of-Year LOST & FOUND!

Oh parents, dear parents, the school year's pretty much done,
But before we are released for some summertime fun,
There's one little task we must beg you to do —
Our Lost and Found is bursting, and it's calling for you!

We've got sweatshirts and hoodies (a couple are blue),
A football, some lunch boxes (a few sort of smell new).
Water bottles, gloves, and hats have been piled —
Perhaps some of these treasures belong to your child?

A parade of lone socks, a backpack or three,
A jacket that has been here since late January.
That hair bow looks familiar — could it be yours?
Oh please check it out now, before we lock all the doors!

If your child came home missing half of their gear,
Chances are, it's been waiting for months right here.
So swing by the hallway and take a quick peek,
Because all unclaimed items are leaving in May, the last week!

Let's wrap up the year with a clean, tidy end —
Come rescue lost stuff, for your little friend.
The last bell's going to ring, so don't miss your chance,
Or those gloves will be doing a Donation Dance!

All remaining items in lost and found after May 30th will be donated.

Reading Under the Stars: Mission Accomplished!

Thayne Elementary's Reading Under the Stars Family Literacy Night was truly out of this world! Over 90 families attended the event, completing six literacy-themed missions — from flashlight reading and story creation to constellation crafts and a journey through the StarLab.

Students collected stickers in their Reading Passports and proudly earned their Official Star Reader Certificates at the Mission Accomplished Photo Booth.

One parent shared,

"The kids had a blast, literally! They enjoyed every activity and even wanted to double back and do them multiple times... My kids actually came home and did their reading with flashlights — inspired by literacy night!"

Another added,

"Literacy Night was a 'Blast off' into space! The kids enjoyed each unique station and checking off their mission cards. The star dome was amazing for all ages and made it feel like you could reach the stars!" ★

Thank you to our incredible staff, volunteers, and families who made this night a stellar success!

May 1819, the first trading post in Wyoming was established by the American Fur Company at Fontenelle's Post on Green River.
