

This year at ETNA ELEMENTARY we are doing a school service project to improve our local community. WE want your child to donate to only **one** organization. Pick the one that you are passionate about.

The programs that we are working with are: Drum Roll Please!

- **Thayne Community Food Bank**
  - Please bring food and toiletry items that are not expired
  - Or a monetary (money) donation. 10 cents = \$1.00
- **Animal Human Society**
  - Money, dog or cat food, dog or cat treats/toys.
- **1000 Books before Kindergarten**
  - New or gently used PICTURE BOOKS.
- **Legacy Homes**
  - Christmas cards will be at the school and you can grab a card and write a letter or draw a picture to someone.

Each grade level will have doors decorated representing the four organizations. When you bring your donation, drop it off at the coordinating door in your grade level. For example: if you bring dog food, drop it off at the door with the dog and cat pictures. The student council will pick up the donations each day.

We will collect donations until...Dec. 18<sup>st</sup>. That will be our last day so that we can have Mustang Mentors do deliveries before we leave for Christmas Break.

## **Merry Christmas!**

6<sup>th</sup> Grade Teachers

5<sup>th</sup> Grade Teachers

4<sup>th</sup> Grade Teachers

And the whole dang crew of Etna Elementary.
