

ETNA ELEMENTARY

October 2022

Principal's Message

Safety first- We have conducted several drills in order to prepare students and staff for possible emergencies. We have conducted a fire and evacuation drill, bus safety and evacuation drill, and an intruder lockdown drill. We will be doing an earthquake drill on October 20th. Several of these drills become more complex throughout the year. For example, we may have a fire evacuation drill with several of our exits blocked. We do this to help students and teachers be more prepared for unexpected situations. In our lockdown drills, we will have scenarios that create the need for QUICK decision making by students and staff as well. Your child's safety while here is our number one priority.

Please remember to keep your child's lunch balance in the positive. You can check their balance on the Infinite Campus App.

Etna Elementary PTO is sponsoring Red Ribbon Week which is held the last week in October. The purpose of Red Ribbon Week is to educate our students on drug prevention. More information will be sent out later and posted on the website.

Check our website for more information about Etna Elementary, our newsletter, lunch menu, handbook, etc. etna.lcsd2.org

Calendar

**Oct 4, 5
After School
Enrichment**
