**Alice in Wonderland Play**

April 24 - May 3  
**WYTOPP Testing**

April 28  
**No School**  
**Friday School**

## Principals Message

From April 24th to May 3rd, Etna Elementary will be doing **STATE WYTOPP TESTING**. It is important that your child attends on test days and is well rested with a good breakfast. Your child's teacher will inform you of the exact testing window.

The children that we share and the support we receive from you, as parents, are some of my greatest blessings.

What are some ways that you can help your child succeed?

- Encourage Reading and Read with Them.
- Practice Math Facts
- Go over Fractions - An easy way to do this is cooking with your child.

*Mr. Klein*

### **Missing a lunch box?**

**We have several that need to go home. Please check lost and found in the cafeteria.**

**Check our website for more information about Etna Elementary, pictures, lunch menu, handbook, etc.**
