## **April is School Library Month!**

**Discover a good book from our library!**  
**Thank you for supporting our Book Fair and our Parent Teacher Conference.**

**This year's "Application for Classroom Placement" will be done electronically using Google Forms. The Google Form will open Thursday, April 10th. We will send out the link and post it on our website. This is not required but is a great way to parents to share input regarding your child's class placement for next year. Applications via Google Forms will be due April 28th.**

**Registration for the 2025-2026 school year is now open.**

Please go to our website, [etna.lcsd2.org](http://etna.lcsd2.org), and complete your registration for next year. This is a great time to update and/or make sure all your information is correct. The correct information is needed for us to contact you and send school correspondence. Thank you!
