### Protecting our Kids: A Community Conversation

Please see our website for information about a parent meeting on this subject, Thursday, February 12, at Star Valley High

Leader In Me Habit 4 is "Think Win-Win." It teaches us to be looking for solutions where everyone benefits. Instead of competing or trying to get our own way, we should work together, listen to others, and find choices that make all sides feel respected and successful. It builds trust, kindness, and teamwork in any situation.
